—TOTAL REPLACEMENT WARRANTY—

The additional or higher costs, if your Automobile Safety is based on the dealer's original charge, your installer will provide a replacement battery at no charge to you. Installation may be done. Must be returned to original retailer for extended warranty to be valid. Standard 3-year/50,000-mile warranty is void at all other locations.

Resellers may decide how much to charge their customers. JA will charge the reseller a fee of \$10.00. This form presents an opportunity to become another profit center for our customers as they may choose the amount to bill out.

Please contact your local JA Salesman or your local store for more information about this exciting program!
