We have spent the last several weeks learning about coronavirus COVID-19 and how it is impacting our state, our nation and our world.

For 68 years, our customers and employees well being has been at the heart of what we do, and this continues to guide our actions in addressing this challenging new threat. We want you to know that we have taken immediate steps to keep you and our employees safe.

We are closely following the [Centers for Disease Control's \(CDC\)](#) guidelines and recommendations on the steps we should take to help prevent the spread of this virus. We shared specific CDC instructions with our employees on the importance of frequent handwashing, avoiding contact with eyes, nose or mouth with unwashed hands, and avoiding close contact with people.

We conduct regular and frequent disinfecting of all areas in our location during the workday, and supply hand sanitizer and/or disinfectant for regular use by our customers and employees. We are taking care to sanitize all vehicles to keep our delivery team and deliveries safe.

Johnston Autostores will continue to vigilantly monitor this situation around the clock to do all we can to protect you and our employees. We are working hard to keep you safe and healthy while at Johnston Autostores, providing the most convenient service possible!

We are all members of the same community, and we are confident we will get through this pandemic together. In the meantime, our heartfelt appreciation extends to the healthcare workers, local and national authorities, and all those on the frontline in the US and the world working to contain Covid-19.

Our government has issued statements listing the industry of transportation and repair as a critical infrastructure. They are requesting maintaining of the normal work schedule.

Please know that Johnston Autostores and our Team sincerely appreciates your business and your loyalty. We are ready to serve you.
