

A list of the equipment with pictures and descriptions that is up for Silent Auction is on our website [www.johnstonauto.com/auction.htm](http://www.johnstonauto.com/auction.htm) The Silent Auction will start June 4<sup>th</sup>.

If you are interested in purchasing any of the items please contact Matt Matuska with your bid. We would prefer if you would email your bids to [matt@johnstonauto.com](mailto:matt@johnstonauto.com), but if you do not have email service please call Matt at 712-260-1406. When sending via email please make sure you put your name, phone number, place of business, item and bid price on the email so Matt knows what item and who exactly is bidding on the item. Matt will let you know when you email or call if you have the highest bid on the item at that time. We also will be updating the bids on our website. The Auction will end on Friday the 13th of July.

When the Auction is over Matt will contact the winning bidder of each item and confirm the bid, payment and shipping options. Some of the items we will be able to deliver via our delivery trucks. On the items we will not be able to deliver Matt will discuss other options with the winning bidder at this time. Johnston Autostores will **NOT** pay for any of the shipping if done via other shipping companies.

We have put good descriptions and pictures on the items with a minimum bid for these items, but if you have any questions on the items please contact Matt via email or phone.

Do not miss a great opportunity to get some quality shop equipment at Auction prices!!!! Bid Today!!!!
