

# THE KLEAN SCREEN™ LINE-UP

PATENT PENDING

GM Linear  
Part# 2-1357

## #2-1357 • TOMCO'S MOST POPULAR!

Applications: Buick, Cadillac, Chevrolet, Chevrolet Truck, GMC Truck, Oldsmobile, Oldsmobile Truck, Pontiac, Pontiac Truck, Saturn 1992-2002 ★

ASSOCIATED TECHNICAL SERVICE BULLETIN: GM 96097

ASSOCIATED MIL CODES: 32, P0401, P1406

GM 3.8L Linear  
Part# 2-1379

## #2-1379 • Fits 3.8L GM Linear EGR Valves.

Applications: Buick, Chevrolet, Chevrolet Truck, Oldsmobile, Oldsmobile Truck, Pontiac, Pontiac Truck 1994-2003 ★

ASSOCIATED MIL CODES: P0401, P1406

Ford Sonic  
Part# 2-1121

## #2-1121 • The ORIGINAL KLEAN SCREEN™!

Applications: Ford, Ford Truck, Lincoln, Mercury 1980-1993 ★

ASSOCIATED MIL CODES: 31, 32, 33

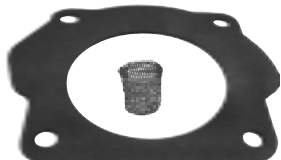

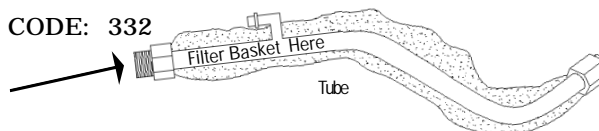

Ford PFE/DPFE  
with Basket  
Part# 2-1377

**#2-1377 • Includes a KLEAN SCREEN™ BASKET. The BASKET is placed in the tube before the EGR Valve. When used in conjunction with the gasket, gives DOUBLE protection to the passages!**

Applications: Ford, Ford Truck, Lincoln, Mazda Truck, Mercury, Mercury Truck 1984-1997 ★

ASSOCIATED MIL CODE: 332

Ford PFE/DPFE  
Kit  
Part# 2-1378

**#2-1378 • When passages need to be completely cleaned out to restore the EGR system to normal operation, this kit is the same as the #2-1377 but includes the replacement gasket for the intake adapter.**

Applications: Ford, Lincoln, Mercury 1991-2002 ★

ASSOCIATED TECHNICAL BULLETIN: FORD 96-23-4

ASSOCIATED MIL CODES: 332, P1407, P1408

Ford Sonic with Basket Part# 2-1371

**#2-1371 • Fits Ford Sonic Valves with "Screw On" Exhaust Tubes. Includes KLEAN SCREEN™ BASKET.**

Applications: Ford, Ford Truck, Mazda Truck, Mercury 1984-1997 ★

ASSOCIATED MIL CODES: 31, 32, 33, 332

Chrysler  
Part# 2-1370

**#2-1370 • Chrysler EGR KLEAN SCREEN™**

Applications: Chrysler, Chrysler Truck, Dodge Truck, Eagle, Plymouth, Plymouth Truck 1988-1997 ★

ASSOCIATED MIL CODE: P0401

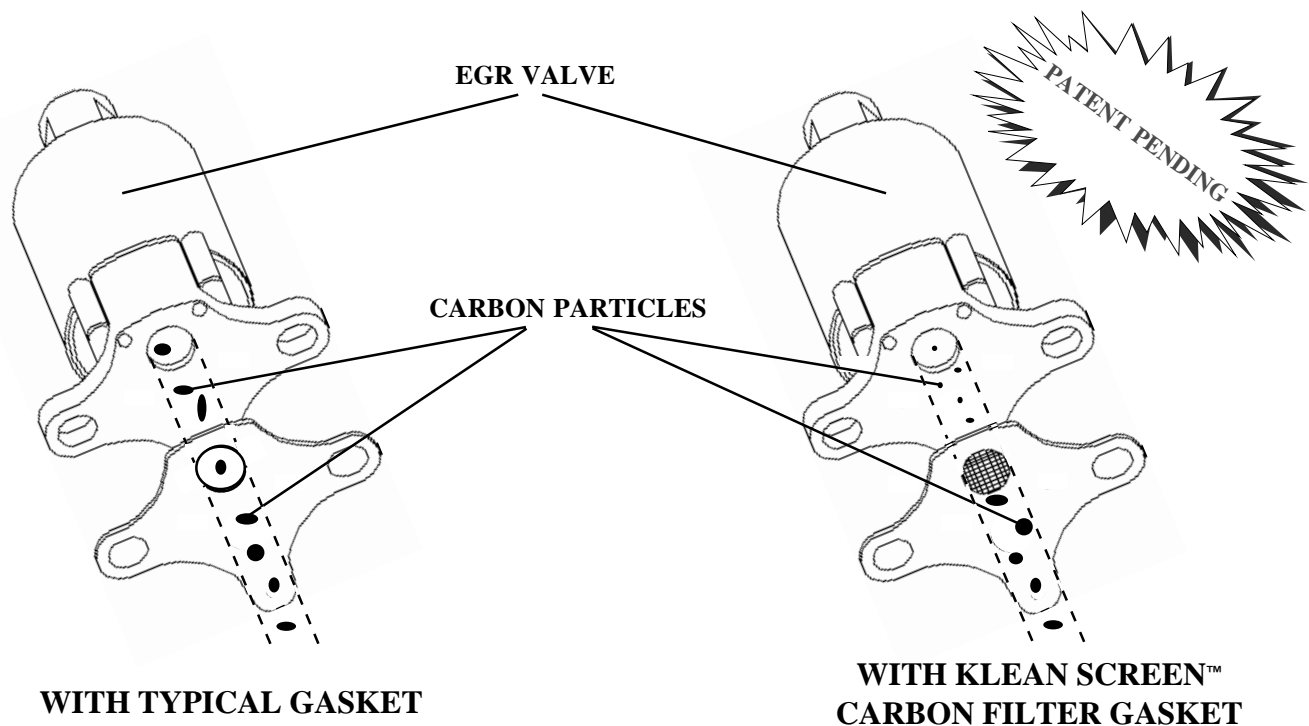

# ***KLEAN SCREEN™***

## ***EGR Valve Gaskets with Integrated Carbon Filters***

"Catch carbon particles *before* they can cause trouble!"

**PROBLEM :** Every technician has experienced the frustrating situation with EGR Valves that are prone to carbon clogging. This carbon buildup can cause the EGR pintle to stick open or closed. The result can be rough idling, stalling, hesitations, surging, pinging, malfunction indicator lamps (MIL) to be set and or failed emissions tests. Even a new EGR Valve may very well foul again in a very short period of time.

**SOLUTION :** TOMCO, Inc. has developed **KLEAN SCREEN™ TECHNOLOGY** that actually *prevents* EGR Valves from fouling. The KLEAN SCREEN™ GASKET takes the place of the original equipment type gasket. The integrated carbon filter screen covers the hole where the exhaust gas enters. These heat resistant, stainless steel screens catch the carbon particles before they can cause trouble inside the EGR Valve. As heat is built up around the screen, these larger particles are burnt off or dissipated into smaller, non-clogging particles.

### **BENEFITS FOR THE TECHNICIAN**

- ★ Corrects & Repairs an Original Equipment problem.
- ★ Reduces Comebacks.
- ★ Simple to Install Preventative Maintenance.
- ★ Doesn't just replace the part - *actually fixes a system problem.*
- ★ Builds Credibility with **YOUR** Customer.
- ★ **CUSTOMERSATISFACTION!**

### **BENEFITS FOR THE CONSUMER**

- ★ Saves Costly EGR Valve Replacement of \$100 to \$500 or More!
- ★ Ends the Frustration of Continued EGR Valve Malfunction.
- ★ Confidence in their **TECHNICIAN.**
- ★ Helps avoid the "Stranded Motorist".
- ★ **CUSTOMERSATISFACTION!**
